

WHAT DO OUR POLITICIANS HAVE PLANNED FOR BRIGHTON, HAMPTON AND SANDRINGHAM?

The single biggest issue in Bayside for the November State Government Election is planning and future high rise development in our suburb.

- What do the politicians propose to do about the Government's planning policies for Bayside?
- Why is the Government determined to have high-rise buildings?
- Has the community made its wishes/demands clear to politicians?
- Is Melbourne 2030 good for Bayside? Should it be revoked?
- Does the term 'Subject to Council Approval' in fact mean 'Subject to V.C.A.T. Approval'?

HAVE YOUR SAY AND GET SOME ANSWERS FROM THE FOLLOWING PARLIAMENTARY REPRESENTATIVES AND CANDIDATES:

Louise Asher, Deputy Leader of the Liberal Party and Member for Brighton;
