Macedon Ranges – Opportunities Abound

The Macedon Ranges Shire Council election is scheduled for 24th October 2020 and now is time to register as a candidate. Anyone wishing to stand as a candidate must be nominated by 12 noon on Tuesday 22nd September 2020.

The unique Macedon Ranges region, only a short distance from the vibrant city of Melbourne, offers an idyllic country lifestyle with the benefits of city living, all in a community dedicated to the best of country life.

With a range of townships that feature many unique attractions, including Kyenton, Macedon, Gisborne and Woodend, opportunities abound for those who seek a distinctive but carefree lifestyle amongst some of Victoria's most picturesque countryside. These prospects include commercial, residential, tourism, sporting, and social infrastructure projects.

A key driver of the success of the residents and business owners in the Macedon Ranges is an effective and forward-looking group of leaders and policy makers. Look at regions like Yarra Valley, Mornington Peninsula, and the Bellarine Peninsula where regional authorities have embraced sustainable growth for the benefit of residents, business owners, and visitors alike. These regions have seized opportunities to develop infrastructure, promote business investment and encourage tourism to the benefit of all stakeholders.

Are you interested in driving a better future for your Macedon Ranges community and seizing on the opportunities that abound?
