MACEDON RANGES SHIRE COUNCIL ELECTION - 24TH OCTOBER 2020

Make Your Vote Count

VOTE FOR MORE LOCAL JOBS AND BUSINESS SUPPORT

Use your vote on 24th October to elect a forward-looking council focused on job creation, support of local businesses and caring for all residents.

DON'T BE FOOLED!

Candidates who have been given a "green light" are denying the potential that the Victorian government

plans offer the region. And they are refusing to recognise the innovative and creative opportunities that abound in your shire.

You Have A Clear Decision to Make Your Vote Count

1. Vote for real, down-to-earth people that care about you, your family, and the Macedon Ranges region and want to embrace the potential of our unique district to provide jobs, infrastructure, sustainable growth, and a better future

Or...

2. Vote for the same councilors who have only created delays, low investment, no growth and frustration - the same as the past 4 years

Does your new local candidate stand for job creation, support of local businesses and caring for all residents?

Or do they have their head in the sand?
